Oak Leaf
by Neva Foster

The COVID-19 pandemic changed the cover art this year. This leaf is one portion of the planned artwork for Meander which will be used in its entirety next year, 2021.

It is a nature print by Neva Foster, who has been driving from Ortonville back to her childhood home in Rochester the past 40 years. Her route is along the Minnesota River.

"The drive along the Minnesota River Valley is spectacular with all the different trees lining its shores. The brochure art reflects some of those trees. The nature prints for the brochure were made with real leaves, each leaf unique, nature at its best."
~ Neva
