"Along the River" by Neva Foster The 2021 Meander cover art is a nature print by Neva Foster, who has been driving from Ortonville back to her childhood home in Rochester the past 40 years. Her route is along the Minnesota River. "The drive along the Minnesota River Valley is spectacular with all the different trees lining its shores. The brochure art reflects some of those trees. The nature prints for the brochure were made with real leaves, each leaf unique, nature at its best." - Neva
